

UMBC HEALTH PROVIDER INQUIRY FORM IN RESPONSE TO AN ACCOMMODATION REQUEST

Instructions: Form is to be completed by a licensed health care provider who has treated the employee for the health condition that the employee is requesting accommodation. The employee is encouraged to discuss the essential functions of their job with the provider to discern available interventions, including the incorporation of the employee's personal assistive devices, such as a wheelchair/mobility device or assistive listening device, within the work environment. Employees may use their job description as a resource for this process. If the accommodation being sought is solely leave to address the employee's serious health condition, please review the FMLA Leave Process via the Human Resources website.

Questions to help determine whether an accommodation is needed.

What limitation(s) is(are) interfering with job performance?

What job function(s) is the employee having trouble performing because of the limitation(s)?

How does the employee's limitation(s) interfere with his/her ability to perform the job function(s)?

What personal assistive devices (corrective lenses, hearing devices, mobility aids, or similar) will be in use in the workplace?

Do you have any suggestions regarding possible accommodations to improve job performance? If so, what are they?

How would your suggestions improve the employee's job performance?

Comments, including how long employee has been under your care for the condition
